## NEWSLETTER Winter 2013

---

### News from the President

Greetings:

First, let me wish you all Happy Holidays! In early December, many of you witnessed or participated in an online e-mail discussion among ACVM members. There was a substantial outpouring of commentary from our members and irrespective of how you or I viewed the discussion, it was significant. Why? Because the discussion engaged many ACVM members in a debate on matters of importance to them. For this reason alone it is imperative that the BOG act on this point and find a way to enable all of our members to engage in thoughtful discussions of important issues. Since it is not possible for many ACVM members to attend the summer and winter BOG meetings, providing a forum other than the use of the ACVM general e-mail address to facilitate discussions by our membership may be the best way to engage a broader swath of our members. I will ask the BOG to consider our options for establishing such a format.

In the upcoming year our dues will increase from \$100 to \$125 per year (starting in July 2013). There are several reasons for the increase. In the past few years we have seen an increase in spending for expansion of the college to accommodate the parasitologists, including exam expenses, paperwork, etc. In addition, the cost of awards, honoraria and exam administration, all essential business for the College, has gone up.

The educational task force led by Dr. Terry Bowerstock produced a survey that was recently sent out to our membership to evaluate the best means for ACVM to offer seminars, lectures, plenary sessions, etc., at future meetings. For those of you who have responded, thank you for submitting your thoughts, for those who have not responded I urge you to fill out the survey so we can better assess how to produce the best educational presentations for our college. The task force is diligently working to obtain funding for educational offerings in 2013.

Dr. Chris Chase formed an ad hoc committee this past year to begin the process of organizing a variety of methods for recertification of our members into a draft document. The recertification process, that is, the process of certifying that we are maintaining our competency in our field of interest via continuing education, publishing in the scientific literature, teaching, research, etc., will be a requirement of all veterinary specialty college members by 2015 as stated by the ABVS. Please help out with this process by responding with your comments about the recertification draft document that was sent out in mid-December. Your input is crucial to the ad hoc committee who are tasked with developing a comprehensive plan that meets all of our needs for recertification.

Best Wishes,

Jim Fahey

### **News from the Executive Director**

First, I would like to welcome all of our new ACVM Diplomates that became certified in December 2012. This is the first year that the ACVM administered the Parasitology examination and we had three applicants sit for board certification.

Again this year our annual banquet was held at Buca di Beppo's, this location is just across the street from the Downtown Marriott. Unfortunately, I have been informed by the administrative staff at Buca di Beppo's they will be closing their restaurant in January, 2013. I am currently in contact with other restaurants within walking distance of the Downtown Marriott, and should have new arrangements for our banquet in 2013 soon.

Dr. Leon Potgieter was the recipient of the 2012 Distinguished Veterinary Microbiologist of the Year Award. Dr. Potgieter was not able to attend the meeting, but ACVM Diplomate Becky Wilkes agreed to present Dr. Potgieter with his award and send pictures to the ACVM office. Thank you Dr. Wilkes for your kind assistance. This year we had six (6) colleagues receive Honorary Diplomate status. We awarded for a one time only event five (5) Parasitology Honorary Diplomates. They have received their awards as they were unable to attend the meeting. Dr. Richard Witter is the other Honorary Diplomate and he will be attending the 2013 meeting to receive his award. Dr. Witter sent his gratitude to the association for bestowing this award to him. In 2013 we will only be awarding one person Honorary Diplomate status. The application and certification forms have been updated on the web site for our applicants. If you plan on supporting an applicant please review the new guidelines that the ACVM Board has put in place. During our board meeting the ACVM Board of Directors voted to increase dues from \$100.00 to \$125.00. This increase will take effect on July 1, 2013, when you will be paying your 2014 dues.

Please remember to check the last few pages of this newsletter to make sure your dues are current. You may pay by credit card by going to our web site at [acvm.us](http://acvm.us) or by sending a check or money order to the ACVM office. Dues are currently only \$100.00 per year and we are collecting dues for 2013!

Have a Great New Year!

Thank you  
Johnora Hayhow

### **News from the Secretary-Treasurer**

Our college continues to make tremendous progress. The ACVM Examinations Committee administered the first parasitology exam, and we all continue to work with our parasitology colleagues to help transition them into our great association. If any diplomate is interested in ACVM Emeritus Status please contact me. Unfortunately, we recently lost Dr. Victor J. Cabasso, Honorary Diplomate since 1991.

All the best in 2013,  
Chris
